A Kind Attitude
A Pleasing Personality
A Sacrificial Spirit

President's Message

Again we approach that period of the year when our thoughts begin to turn to the events of the past and to a projection of events to come.

It has always been the policy of the school to render every service possible toward giving a thorough and concise picture of the life and activities of this institution through the medium of the "Wildcat."

It seems as if a yearbook at this time would mean more to college students than it has meant for many years. Many of our young people have gone to the Armed Service, and we are especially interested in keeping pleasant reminders of our association with them in school

Annual staffs of the past have dedicated themselves to the proposition of an unbiased, yet composite, picture of the whole. I am sure that the efforts of an energetic group of young men and women who have dedicated their services to the 1950-51 yearbook will be richly rewarded. May I wish for you every success and I shall look forward with pleasant anticipation for the product that has been made possible by your efforts. My best wishes are yours.

Fellowship is a devotional service held each week under the direction of Miss Webb. The programs are varied and often consist of inspirational messages brought by visiting speakers.

Jane Ann Evans, Ben Goodwin, Chr. Culley Lee, Tiny Renaker, and Christine Ladner.

DEBATING CLUB

The Pearl River College Debaters and their sponsor, Miss Eunice McSwain, have an outstanding record to uphold as they go into the annual competitive debates among the Junior College this year. In 1949, the affirmative team from Pearl River won the Junior College championship. In 1950, the first year that a school was judged on points and required to win the entire debate by total points to be declared champions, Pearl River again came out on top. The 1951 debaters; Ben Goodwin and Jane Ann Evans on the affirmative side, Christine Ladner and Tiny Renaker on the negative side; have just won their first round by winning the triangular meet against Jones County and East Central Junior Colleges. This team will now enter the final round against the two other winners in triangular meets.
